This letter is in response to your letter dated July 31, 2007 regarding the term "Credit Card Settlement Fee" used as a disbursement description for payments made to Transfirst. Transfirst is the company that the Committee uses to process credit card donations. The "credit card settlement fee" is the charge that we pay them for this service. In order to avoid any misunderstandings in terminology, all future disbursements to Transfirst will be reported as "credit card contributions processing fee."

Please advise if any additional clarification or information is required.

Sincerely,
Deana Watts
Treasurer
